Once you save both pages, return and submit to Blackboard.**

Question	Answer Given
<b>Besides your resume and education, which section of your portfolio are you most proud of and why?</b>	I am proud of every section of my portfolio because I have put all my effort in it and I feel that I should be proud of every job I have done.
<b>Is there a project in your portfolio that shows your ability to think critically? How do you think that specific project showcases your critical thinking skills?</b>	Yes, there is a project on my portfolio that shows my ability to think critically. I had done a powerpoint that would demonstrate that I can demonstrate that I can think critically, I provided some data that I had to do my research on, so I think that how this project showcases demsotratemy skills on critically thinking.
<b>What are you hoping that someone would know about you from looking through your professional portfolio?</b>	What I hope from others when looking through my professional portfolio is that I am well educated and committed to my work.
<b>Do you have any questions for me about the position or the company?</b>	No, I just hope that I get the opportunity to be part of this team.
